HOMEWORK HELP CENTRE— The Homework Help Centre is available for all students needing a quiet place to work on homework, or those who need help with homework. The Centre is open Monday to Thursday from 3:15 p.m. - 4:00 p.m. Forms are available in the High School Office. Presently, this important service is being underutilized by our students. Many evenings the Centre is empty and tutors are present with no one to assist, yet many students struggle with vital concepts and many fail to submit homework on time. We ask parents to encourage their children to take advantage of this important service.
